RE: Dominion Energy South Carolina, Inc.  
Notice of New Natural Gas Construction Project

Dear Ms. Boyd:

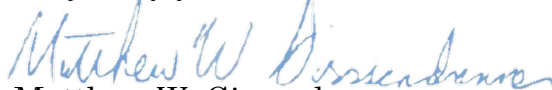

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. See S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that DESC plans to install approximately 26,500 feet of 6-inch plastic natural gas pipeline along Alligator Road in Florence, South Carolina, from Twin Church Road to South Woodside Circle. This replacement project is associated with the South Carolina Department of Transportation's plans to widen Alligator Road.

Construction began in September 2021, and DESC anticipates that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

  
Matthew W. Gissendanner
